\_\_\_ **Counselor:** Managing a group of 6-8 campers. This includes communicating with parents, engaging campers in activities during free time, supervising them during classes,

\_\_\_ **6th and 7th Grade Counselor:** In addition to the responsibilities listed above, the 6th/7th grade counselors teach and lead discussions on a designated topic, develop their own lesson plans and manage the 6th/7th grade schedule. This job requires experience in DI camp as a camper and as a volunteer for at least one year each. While there is more flexibility and freedom offered to this age group, the counselor is expected to maintain the structure and follow through on all projects assigned to this group. Competence with utilizing technology for presentations is required.

\_\_\_ **Games/Activities Counselor:** Plan and supervise Indian games both indoor and outdoor. Learn some games ahead of time and be knowledgeable about the rules. Be prepared to teach these games to small and large groups of campers during camp. Ideas for games must be submitted by June 1st and detailed plans must be submitted for review by July 1st.

**Please note that all applications will be considered but not every volunteer will be asked to participate in the full week of Camp. Some will be given half days or specific full days in an effort to include as many interested volunteers as possible.**
